INVESTMENT FEES - STANDARD

As your adviser I will be paid by you for the advice I give you both initially and ongoing.

You will not incur any fees until we have agreed what they will be.

The section below sets out the fees for the initial advice I offer. Once I have a better understanding of your situation, I will go through the fee structure and be able to give you the actual fee amount that will apply to you.

I am not able to receive or retain any other inducements from a product provider. Should I receive any additional fee, commission, monetary or non-monetary benefit as a result of a recommendation made to you, I will return this to the product provider to transfer it to you (as appropriate) and attempt to stop further payments/inducements being received.

We will act as the intermediary between the product provider(s) and you with a view to arranging the purchase of the Retail Investment Products as we have agreed.

Unless otherwise explained the fees below will cover a full advice process: understanding your current situation, objectives, attitude to risk, research to identify suitable solutions, documenting our recommendations and implementing the agreed solutions.

Fees for the design, production and implementation of a financial strategy are calculated as follows:

Policy Arrangement & Implementation – Lump Sum Investments or Transfers

Should you instruct us to proceed with any of our recommendations we will act for you in the following ways:

- Handle all fund and policy administration on your behalf.
- Provide regular updates to keep you informed of progress.
- Ensure all your documents are issued in line with your expectations.
- Provide confirmation of all actions taken on your behalf in writing or verbally.

Our charge for this service is based on a percentage of the amount you invest and/or transfer on a tiered basis.

These are the typical initial fees we charge but a lower or higher cost may depend on the total amount of work involved. For any final salary (defined benefit pensions) advice there may be additional costs to cover the complexity of work and advice liability.

Our minimum fee irrespective of the size of investment is:

Basic pension work (personal pensions) - £1,500

Initial Fees: Percentage of amount invested In Respect of Lump Sum Investments and Single Premium Pensions

The fee is calculated according to the size of the transaction, as set out below:-

Our initial maximum fees are charged on a tiered basis:

- First £150,000 – 3%
-

- Next £350,000 (up to £500,000) – 2%
- Next £250,000 (up to £750,000) – 1%
- Next £250,000 (up to £1m) – 0.5%
- All funds over £1m – 0.25%

This payment can either be taken from your investment upon receipt by the policy provider or paid directly by you.

Example 1; if we arrange investments on your behalf totalling £100,000 our implementation fee would be £3,000. A payment of £3,000 can be paid direct or deducted from the initial investment resulting in the starting investment being £97,000.

For an investment of £250,000 it would be £6,500. (£150,000 @ 3% & £100,000 @ 2%)

We will always confirm the cost as a percentage and £ for complete transparency.

Policy Arrangement & Implementation – Regular Premium Savings or Investments

Any charge for regular pension or investment savings would be paid by either direct fee or an ad hoc fee from your investment. The maximum charge for this advice and implementation would be a maximum of 50% of the first year's premiums.

Example: if your monthly contribution is £300 our maximum implementation and advice fee would be £1,800. This can be paid as a direct fee or an ad hoc payment through your investment.

Ongoing Reviews and Changes to Existing Investments

We will discuss the full range of our on-going services during our initial consultation. These services include, but are not limited to, providing you with:

We will agree separately the level of on-going services at the time of, or prior to, making our recommendation(s) to you. Our maximum ongoing fee will be maximum of 1% per annum and will be agreed on an individual basis with your adviser. Please note as the fee is based on the investment value, the actual amount we receive will increase (or decrease) in proportion to any increase (or decrease) in the value of your portfolio.

The charges can be deducted from your investments or paid directly by you. You should note that when paid through the investments it may reduce your personal tax thresholds and/or exemption levels. Where this happens, we will discuss it with you and confirm it in your personal recommendation report.

Any ongoing advice can be ceased without any notice period by contacting your investment provider direct.

Examples of Ongoing Fees

If we look after you and your investments are valued at £100,000, our fee is 1%. Therefore, the annual payment to us will be £1,000, paid in monthly instalments.

The elements that make up your ongoing servicing package are subject to alteration; I will notify you in advance and in writing if any of these aspects change.

Our Insurance and Protection Services and Costs

Similar to our investment services above, we will provide you with a personal and financial review prior to making our recommendation(s) to you. Should you accept our recommendation(s) we will arrange the implementation of this/these for you. The reasons for our recommendations will also be provided to you in a written report.

We do not charge a fee for our insurance and protection services as we will normally receive commission from the policy provider. You will not be subject to VAT for this service.

VAT

The fees outlined above are raised when the investment is made, and it is likely that no VAT is due on these fees.

Any variation to this amount will be confirmed in writing to you before proceeding further. This may be for example for larger or more complex loans, or where your personal situation is more complex regarding income sources, taxation, residence, and credit rating.

Please note that as the fee is based the investment value, the actual amount we received will increase (or decrease) in proportion to any increase (or decrease) in the value of your portfolio.

Client Classification Levels For Your Protection

The FCA has rules which affect the rights you have as a customer. In our dealings with you we will be representing you as the customer, rather than acting on behalf of an insurer.

We classify all our individual customers as 'retail' customers. The range of financial products and investments we recommend are tailored to meet the needs of retail customers. You will have rights under the Financial Ombudsman Service (FOS) and the Financial Services Compensation Scheme (FSCS). These rights will apply to the provision of the advice we provide.

In most cases these rights will also apply to the products we recommend. However, there are some exemptions for specialist products such as Enterprise Investment Schemes and Venture Capital Trusts. Your adviser will let you know if the product recommended will not have rights under the FOS or FSCS.

There are other classifications of customer that do not have these rights. These are "professional" customers and "eligible counterparties".

You have the right to be classified as a professional client and revoke this status on request. Should you feel you have the skills knowledge and experience to be a Professional client and do not wish to have the same protection afforded to retail clients, please let me know and we will complete the forms necessary to reclassify you.

If you have any questions regarding your classification (e.g., if you are a large company), please write to Quilter Financial Planning Compliance Department, Riverside House, The Waterfront Newcastle upon Tyne, NE15 8NY, or to the Financial Ombudsman Service and FSCS.

Client Money Peace of Mind

We do not handle Client Money. We never handle cash and will only accept a cheque made out to us in settlement of Advice and Service fees. Our preferred method of payment is via bank transfer.

Your Duty of Disclosure

Any financial advice we provide will be based on your personal financial circumstances and objectives. It is important that the information you give us is both accurate and a true reflection of your current circumstances.

It is your responsibility to provide complete and accurate information to a provider (a provider being for example, an organisation that provides insurance, mortgage, or investment related plans).

It is important that all statements made on any proposal form, or on any additional documentation are full and accurate.

Please be aware that if you fail to disclose any relevant information, or any change of circumstances to a provider, then the terms of your desired plan may be invalidated (e.g., an insurance claim may not be paid). We strongly recommend that the information you provide is checked thoroughly prior to submission.

Investment Advice and Recommendations Scope

Any investment advice your adviser provides will be based on your personal financial circumstances and objectives. We will confirm these and the reasons for any recommendation in a Suitability Advice Report.

If you have asked for any restrictions on the types of investment or the markets you wish to invest in, these will be confirmed in the Suitability Advice Report. We will always make it clear when products are not within the 'regulated' scope and advise you of your rights.

Paying For Advised Services

Where payments are facilitated through a product, this will impact the actual amount remaining invested. Payment of the initial Advice and Ongoing Service fees facilitated by the relevant Product Providers or Platform administrators will be as a percentage of contributions invested or of the value of the plan's value/funds under management as at the anniversary of the initial investment. As such, the cash equivalent amount will vary depending on the value at the time.

Providers/Platform administrators will detail the specific process they operate to facilitate a fee in their literature. If you opt to pay the Adviser Charge directly (not through a product) an invoice will also be provided, which must be settled within 14 days of issue (we reserve the right to charge interest on late payments at a rate of 3% above Bank base rate).

Full details of the final Advice will be provided in the Suitability Advice Report. Full details of any future Service fee will be provided either in the Suitability Advice Report or 'Authority to Proceed' document prepared for you by your Adviser. You may also be asked to sign and return a copy of the Authority to Proceed document to confirm your understanding and acceptance of the arrangements.

Cancellation / Termination of Authority

The Ongoing Service fee or our authority to act on your behalf can be cancelled at any time without any penalty by email or post using contact details provided. These methods ensure we have an audit trail for your instruction. You will be responsible for cancelling any instructions from your bank. If the fee is being taken from your investments, we will endeavour to instruct the Provider, Platform or DFM to stop the fee within 5 working days of receiving your instructions and refund any over payment if we are unable to meet this commitment.

You may ask us for an updated estimate of your advice fee at any time and you may ask us not to exceed a given amount without checking with you first.

Investment Advice Refunds

Our standard policy is that in circumstances where this agreement is terminated, a recommendation is not followed through to implementation, or a product arranged is cancelled at any time, no refunds will be given, and all work undertaken will be billable and due. Please note that this does not affect your statutory rights or ability to complain.

If you cancel your investment(s) in the cooling off period or stop regular contribution payments the fee will no longer be due unless a minimum fee is stated in this Terms of Business and your Adviser Charging Agreement/Authority to Proceed.

Language

Unless agreed by us at outset all communication will be completed in English. We will communicate in a manner that is convenient to you, this could include Face-to-Face meetings, Post, E-mail and by telephone.

Location of Advice

All advice will be conducted in the UK. We do not have permissions to give advice when either you or I are located in any overseas location.

Timing of Reports

Financial Planning: I will send you a Suitability Advice Report setting out the reasons for my recommendation at the time of my recommendation and where applicable before implementing any advice that I have recommended.

Mortgage Advice: I will send you a Suitability Advice Report setting out the reasons for my recommendation within 15 days of making that recommendation.

Protection Advice: I will send you a Demands and Needs statement setting out the reasons for my recommendation before the policy starts. If I am advising you by telephone, and the policy starts on the same day the Demands and Needs statement will be sent by the end of the next working day.

If you would like this in an alternative format e.g., Braille, Moon, Clear and Large Print, Audio documents (Cassette, CD, MP3, or Wav) or any other languages please let me know.

VAT

The service we provide is described as an 'intermediation' service. This means we provide advice with the intention of acting between you and a product provider to arrange a financial product or service. If we did not do this, we would be liable for VAT on the fees charged. VAT is not applicable on the fees we charge for intermediation services. In arranging the sale of retail financial products an adviser fee made for advice, even if you decide not to proceed with the purchase of the recommended product, will remain VAT free where the adviser has provided you with full advice services up to that point, including all relevant documentation.

The adviser fee made for an ongoing service is also VAT free provided it is in respect of an intermediation service. This means activities such as topping up an investment or utilising available investment tax allowances, such as the ISA allowance. In the event that the advice services we provide become ancillary to our intermediation services, VAT may become chargeable (e.g., we review your entire financial circumstances but make no or limited recommendations).

Should this change in the future, and where VAT becomes due, we will notify you before conducting any further work. In any case, where VAT is payable on our services it will be charged in addition to the agreed fee.

However, where a Discretionary Fund Manager (DFM) forms part of a solution, then VAT may become chargeable.

Declaration of Other Interests

To ensure that customer interests are always put first, we operate a robust Conflict of Interest and Inducements Policy. If a potential conflict of interest does arise it will be actively managed, and we have arrangements in place to ensure that all our clients are treated fairly. If we feel that our interests' conflict with yours, you will be contacted, and we will obtain your consent to proceed. Our conflict-of-interest policy is available on request.

Our Loans and Ownership

Quilter Financial Services Ltd and Quilter Mortgage Planning Ltd are part of the Quilter Group. The Quilter Group of companies offers a range of pension, protection, and investment solutions through both a UK and International platform. This may give rise to a potential conflict of interest where a company within Quilter Group has a suitable solution for your needs. If such a situation occurs, I will ensure that my recommendation is the best execution of your needs. I will also highlight the potential conflict of interest at the time of making the recommendation.

Addressing Financial Crime

All transactions relating to the services provided by us are covered by The Money Laundering, Terrorist Financing and Transfer of Funds Regulations 2017. The FCA also requires that we have appropriate measures in place to prevent the furtherance of financial crime.

Our responsibilities include but are not limited to verifying the identity and address of our clients and any third-party making payments on their behalf. If required, you must supply proof of your identity in accordance with the above Regulations. Identity verification checks may include electronic searches of the electoral roll and the use of credit reference agencies, which will result in a soft 'foot-print' on your credit records.

This footprint is not visible to other financial service providers and does not affect your credit rating in anyway. In accordance with the Data Protection Act 2018 acceptance of these terms and conditions represents your permission for us to access this information.

Financial Services Compensation Scheme (FSCS) Current limits

We are covered by the FSCS. You may be entitled to compensation from the scheme if we cannot meet our obligations. This depends on the type of business and the circumstances of the claim. i.e., it differs for investments, insurance, mortgages, and bank accounts.
